JIM ASH

AGE: 43

Independent Small Business Owner

First, thank you for taking the time to read about my candidacy for Congress and for participating in our election process. Those of us who vote decide the future of our country.

I'm Jim Ash, and I want to be your next congressman.

I believe the most important qualification for a congressperson is to bring the real life perspectives of average Americans to Congress to ensure that the laws being created and the money being spent by our government reflect the intentions and perspectives of us, the regular citizens, and not special-interest groups. As a 20-year resident of the 53rd District, I believe that I will best represent the many communities in our district.

I attended SDSU and Mesa Community College while working as a furniture mover, janitor, flower delivery driver, and IT support tech. Since 1995 I have lived in and experienced the diverse cultures of North Park, Lemon Grove, La Mesa and the SDSU area. Professionally, I've advised the Navy, been hired by some of the world's largest companies as a management and technology expert, and started a successful property management and investment business. Like most of us, I've been flat-broke, lived paycheck to paycheck, as well as being blessed with prosperity as a result of my hard work.

My experiences over the last 20 years have prepared me well to bring the much needed common-man perspective and representation to Congress. On June 7th vote Jim Ash for Congress. #ANew53rd

UNITED STATES HOUSE OF REPRESENTATIVES
53rd District

SUSAN A. DAVIS

Member, United States House of Representatives

As a community leader, my number one priority has always been to listen to your concerns and act on them.

I have never forgotten the words: "We the People." My job is to stand up for you, taking your concerns and good ideas to Congress and getting the job done.

My experience as a social worker, youth mentoring program director and military spouse taught me the value of integrity, justice, responsibility, and a common sense collaborative approach to solving problems.

We need a top-notch education system that prepares our students for the innovation economy. As a grandmother, I know that my grandkids will not only work at different places, but they may also need to work in different jobs. This is why I have introduced legislation to make college more affordable and to improve education at all levels from pre-K through college.

Although we have gotten a lot done, there is still more to do as we work toward a strong future, especially for middle class San Diegans. We need an economy that rewards those who work hard and play by the rules and guarantees equal pay for equal work for women and everyone in the workplace. And we must stand up to greedy banks and credit card companies.

As Chairwoman of the Military Personnel Subcommittee, I've made sure our soldiers and veterans receive the services, benefits and justice they have earned serving our country.

It continues to be an honor to serve you and I ask for your vote.

JAMES VELTMAYER, MD

Physician/Surgeon

As a doctor, James Veltmeyer knows first-hand the burdens that ObamaCare imposes on health-care providers. That's one of the important reasons he's running for Congress!

Respected Doctor: James is the Chief of the Department of Family Medicine at Sharp Grossmont Hospital where he provides leadership to over 200 doctors.

Conservative Republican: committed to defending the Constitution, James Veltmeyer is a free-market conservative and a defender of property rights. His experience and firmly held principles tell him that limited government and a strong national defense are the foundations of freedom.

No New Taxes: James Veltmeyer signed the official No New Taxes pledge and is committed to fighting any new taxes. James knows that excessive taxes discourage job growth. For a strong economy, America needs to reduce the twin burdens of taxes and regulations.

National Security: The dangerous decline of our nation's international prestige and influence must be reversed. The Obama Administration has cut funding for defense, especially the Navy, over the last two terms. Restoring our nation's military strength will be a major goal for James Veltmeyer as a Congressman.

Honors: James Veltmeyer was selected by his colleagues through the San Diego County Medical Society as a "Top Medical Doctor in San Diego County."

Faith And Family: James Veltmeyer is deeply committed to protecting our First Amendment right to worship. As our representative in Congress, he will be a clear voice for American values.

James and his wife, Laura, attend All Hallows Church, where their son and daughter also attend school. For more information: www.JamesVeltmeyer.com

**STATE ASSEMBLY
79th District**

JOHN MOORE

Retired

It's clear Sacramento isn't hearing many of our concerns. For that reason I've launched my first candidacy for California office.

California's 79th Assembly District has become unaffordable to its' middle and lower income families. Water, agricultural produce and utility costs have significantly risen because of Sacramento's irresponsible delayed reservoir policies combined with legislated energy mandates that squeeze our young, middle and low income families. Likewise gasoline prices, though lower now, continue gyrating from California's State fuel tax and refinery laws that very recently made San Diego's gas prices the highest in the entire nation.

I and other Legislators must modify state water and energy laws and regulations to provide relief to our hard pressed residents.

1,500 companies have left California for other states. I will work with Legislators to modify business threatening regulations and taxes that eliminate jobs for our young and struggling citizens

As elected Legislators we must actively seek and eliminate wasteful and duplicate spending before initiating new taxes on an already overburdened young, middle and lower income taxbase.

I will fight for Proposition 13. It provides necessary protection, from the rising costs above, for our senior and fixed income residents of the 79th.

The 2nd Amendment is a Constitutional guarantee to all Americans that I fully support.

Armed, private Americans stop over 250,000 crimes per year.

I will read a proposed law before passing it. I'm retired from residential finance, network engineering, Internet startups and aerospace, BA Economics, BS Computer Science, MBA and Veteran. MooreForAssembly.com

**STATE ASSEMBLY
79th District**

DR. SHIRLEY N. WEBER

Assemblywoman

As your Assemblywoman, I'm fighting for more opportunities for everyone – with better schools, high-wage jobs and safer communities.

We've expanded education access for foster children and military families, and helped make college more affordable for low-income students. Now I want priority admission to UCs and CSUs for Californians so more of our children realize a brighter future.

We've increased opportunity for small businesses, increased paychecks with the earned income tax credit and now I am pushing for more high-wage jobs and business opportunities for veterans.

I am a former school board member and educator who believes California means opportunity for everyone who works and studies hard.

My parents were sharecroppers who came for the promise of California. My father found a high-paying job in a steel mill. I found access to a great public university that prepared me to earn a Ph.D. and become one of the youngest professors ever at San Diego State.

That's the California of our dreams – great public schools, high-wage jobs and access to an excellent and affordable college education.

I want us all to have more opportunity – that's why I'm fighting for quality education that's accessible at all levels, policies that create jobs and grow the economy responsibly and laws that keep us safe.

PAUL WARE
Senior Attorney, Department of Justice

I was a Judge for 7 years in the United States Marine Corps where I presided over 600+ trials. My judicial philosophy is to faithfully apply the law as written, not making laws from the bench. COUNTY OF SAN DIEGO
Board of Supervisors – District No. 2

DIANNE JACOB
San Diego County Supervisor

I fight hard every day to make sure County government works for you.

Preparing for wildfires by securing over \$350 million in firefighting improvements, created the County Fire Authority for better coordination, secured additional ground and air support and decreased response times by 50% for both fire and medical emergencies.

Keeping our neighborhoods safe by beefing up patrol deputies, opened new Sheriff's stations and detention centers, fighting against human trafficking and placement of sexually violent predators in our communities. That's why I have the support of the Sheriff, the District Attorney, San Diegans Against Crime, the Deputy District Attorneys' Association and the Deputy Sheriffs' Association.

Protecting your tax dollars by maintaining a triple-A credit rating, ensuring adequate reserves, cutting pension benefits, no deferred maintenance and building state-of-the-art facilities with cash, saving taxpayers over \$1.3 billion. That's why San Diego County government is consistently rated as one of the best-run in America.

Safeguarding seniors with increased oversight of senior care facilities, protection from financial scams and leadership of the Alzheimer's Project to support victims and help find a cure.

I would be honored to receive your vote so I can continue serving you and your neighbors.
